Dear Parents,

APRONS

Yesterday, students studying our new Food Design subject were asked to purchase an apron in time for next week's lesson. I have checked with our Uniform Co-ordinator and discovered that we are able to supply these for \$7 each. After further thought I think it would be best if everyone had the same apron, matching the uniform and maintaining consistency. I am sorry for the late notice and hope that no one is inconvenienced, but would like to institute the apron pictured to the right as our new uniform requirement for the kitchen.

This is a Gaberdine Full Apron with Teflon Stain Release Treatment, 90cm x 68cm made from Gaberdine Polyester and Viscose with two front pockets, matching trim and ties. Our aprons shall be supplied in Navy.

We have taken the liberty of ordering an apron for each student studying this subject. You are welcome to pay when they arrive next week, or we can provide an invoice.

If you have any questions, please feel free to contact myself on 0428 262 933 or Debbie, the Uniform Coordinator on 4911-2621.

Yours sincerely,

Michael Appleton
