Once again we have decided to make all school materials available from our office to make book lists easier for parents. If you would like to purchase school materials through the school please return this page, with the request section below completed (one per student please) to the office, by Friday, November 19<sup>th</sup>. We will compile the list of items and have it ready for collection on Friday, Jan 14<sup>th</sup>. Your account will be invoiced accordingly.

Parents are still welcome to purchase booklist items from other retailers, however we do ask that you stick to the brand and specifications of the list as closely as possible, as the size of books need to be exact and our road test of specific brands have shown these to be the best value for money in terms of durability and quality. Please see the relevant class teacher if you have any questions or queries about items on the book list and their purposes in class.
