Once again we have decided to make all school materials available from our office to make book lists easier for parents. If you would like to purchase school materials through the school please return this page, with the request section below completed (one per student please) to the office, by Friday, November 19th. We will compile the list of items and have it ready for payment and collection on Friday, Jan 14th.

Parents are still welcome to purchase booklist items from other retailers, however we do ask that you stick to the brand and specifications of the list as closely as possible, as the size of books need to be exact and our road test of specific brands have shown these to be the best value for money in terms of durability and quality. We have been quite detailed with the book list to make this as easy as possible. Please see Lindy Anning if you have any questions or queries about items on the book list and their purposes in class.
